

# LE FINANCEMENT DES DEPENSES DE SANTE EN FRANCE EST LE PLUS PROGRESSIF DU MONDE... GRACE A LA SECURITE SOCIALE

## The Progressivity of Health Care Revenue Financing in 29 Countries: A Comparison

 Qualitative scores for revenue sources from two accompanying studies

+

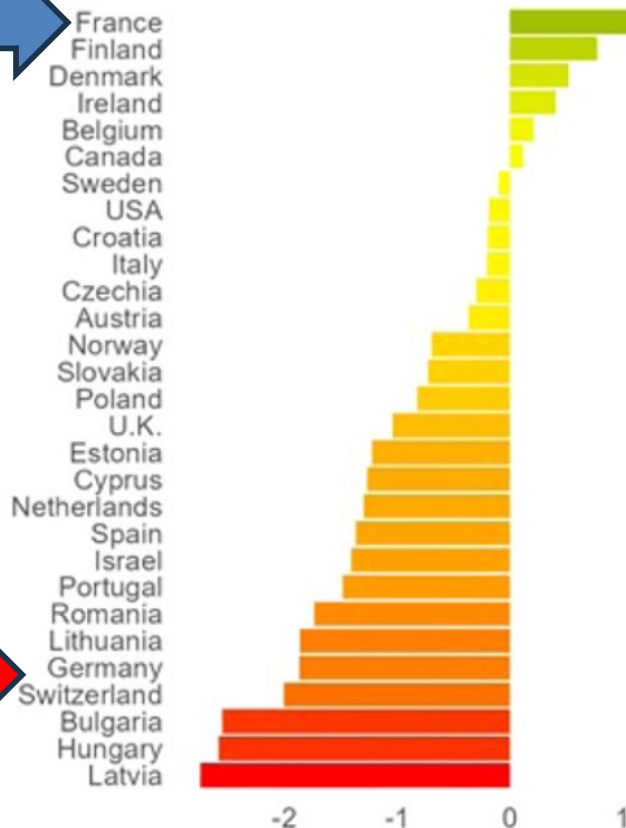

Derivation of weights for revenue sources from national aggregates

=

Weighted progressivity scores for private, public and total financing

Vörk, Pažitný, Waitzberg, ..., Rice (2025), *Health Policy*

Countries that rely more on out-of-pocket payments tend to be more regressive overall

Tax-based systems do not inherently ensure progressivity, especially when they rely heavily on regressive consumption taxes

# LES FINANCEMENTS PUBLICS NE SONT PAS TOUJOURS PROGRESSIFS LES FINANCEMENTS PRIVES SONT TOUJOURS REGRESSIFS
